A Safe & Bright Career

BEST FACULTY | BEST SYSTEM | BEST RESULT

Dear students

Today's education system is based on rote learning that restricts rational thinking and thirst for knowledge. Generally, students confine themselves to textbooks to pass the exams. However, at Paras Institute of commerce, we aim at the holistic development of students.

We believe that the talent & energy students possess need to be nurtured, shaped and channeled in the right direction. We lend them a gentle guiding hand so that they recognize their inner potential. They are encouraged to widen their knowledge base and study beyond the boundaries of their syllabus.

At Paras Institute, we produce true professionals who use their logical thinking in every sphere of life. We assert our students to explore the horizon of their capabilities and boost them into surpassing the limits of excellence.

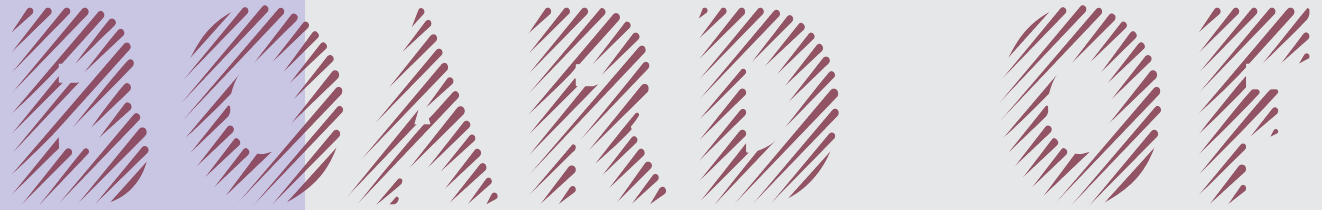

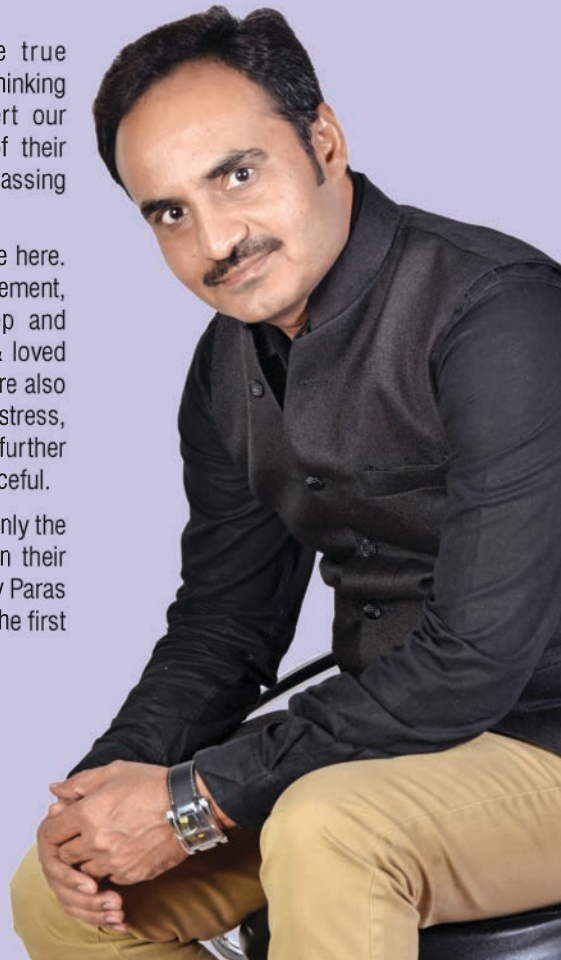

Students learn to live a balanced life here. We teach them effective time management, managing proper nutrition & sleep and spending quality time with family & loved ones. Besides, meditation classes are also organized for students to reduce stress, pain, anxiety and insomnia. This further helps them feel more relaxed and peaceful.

Our combined efforts bring out not only the best in their careers but the best in their lives. Probably that is the reason why Paras Institute of commerce has become the first choice of CA aspirants.

With Best Wishes

SURENDER SHARMA

Director

Dear students

Students of today's generation are enlightened and focused. They desire to achieve heights. But, mere desire does not work in today's cut-throat competitive environment. It calls for a planned approach, the cultivation of requisite skills, proper guidance and support.

At Paras, our endeavour has always been to bring the best out of each student. We focus on the individual effort that carves the way to success. In our opinion, preparation for examination is based on three pillars – Concept Clarity, Contextual familiarity and Application Expertise. Our experienced and dedicated faculty ensures that every student gets a firm grip on each of these pillars. Regular tests provide timely feedback to the students to acknowledge their shortcomings and work on them. Another advantage of regular tests is that they promote competition among students. In nutshell, we provide an environment where the best minds compete with one other to push their limits and reach a level of intellect.

We wish you a rewarding experience at Paras.

Thank you team Paras for all the management and support you have rendered me... Despite being so irresponsible and lazy in completing the portion you all pushed me to pass my exams by making a whole separate timetable for me... Special Thanks to Vivek Sir... He had supported me the most... I did not do my homeworks neither appeared for any tests I just attended the lectures of all the subjects and only by doing this much my concepts were crystal clear. I regret that I should have given my heart and soul and much had solved the test series and do the revision accordingly but I just want to tell that despite not doing all these I was able to clear my exams just by sitting for the lectures....

CA = Paras

This is my anytime recommendation for anyone who asks me.

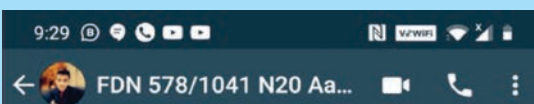

I am sorry sirs I have not paid that much attention to your instructions but I am trying to improve myself in CA inter I am trying to do my homework give the tests and follow your instructions... This time I will definitely get distinction because I have a 100% dedicated team

Overcoming a freak situation of choosing CA over engineering was not easy at all and paras is that all made possible. From the very beginning I was allowed to groom myself under their shade. we can't expect much more viable and cooperative management anywhere else that has made my aim a step closer. The best example of the coordination of sophistication with knowledge is all that paras is been providing over 2 decade if we summarise foundation teachers panel that was simply phenomenal namely:

Surender Sir
Man with awesome accounting knowledge and a long experience who teaches every student as his own colleague or a friend instead.. joins every aspect to life experiences making everything much easier..

Gaurav sir
Watching him is much fun but more to rely on his teaching skills. The analysis he has made in his own teaching skills and the clarity that has been displayed is astounding and shows his dedication towards the profession..he applies his all efforts

Ritu mam:
Humble personality above all and show the teaching style reflect, her tricks and concept clarity what a teacher she is?? 🙏

Anju mam:
She was the one who made English much easier to learn practically and I enjoyed her every class

Vivek sir:
Last but not the least ,he used to act cure of all misery whenever students gets frustrated he used to connect it with himself besides his superb teaching I learnt economics much better than I would expect .

On that note, paras is the way to excellency so the success..

Thank u paras. 🙏🙏

I am Priyanka From-kaithal After my foundation exams I was very confused about intermediate coaching.. All my seniors preferred me to go Delhi for inter coaching... But then i came to know about PARAS INSTITUTE and i joined the institute after attending their seminar.. Initially I was scared because it was my first experience of online classes but my experience with Paras is too good... Teachers visit our center time to time for cleaning our doubts.. And during Quarantine they interact on call with us... Teaching method of all the teachers is too good...
■ Gorav sir Is a best teacher of theory subject. For me theory subjects were difficult than practical but Gorav sir make it so easy by his drawings...
■ Dushyant sir teaches Tax and Fm. There are rumors about Tax that it very difficult to understand.. But Dushyant sir proves all that rumors wrong...He makes Tax easy for me..
■ Surrender Sir Teaches in very logical way. His teaching method help us to overcome from our problems. He gives us practical knowledge of life also 😊
■ Nikhil sir teaches economics. His teaching method is very interesting. He teaches in a friendly Manner.
■ Gorav sir Is a best teacher of theory subject. For me theory subjects were difficult than practical but Gorav sir make it so easy by his drawings...
◆ All members of Paras team supports us very much... 😊😊

I am taking class from paras team . Covide 19 ke Time se paras institute ne online classes karne ki help ki he .jab kisi ko batata tha ki me CA karna chahta hu to mujhe bahut koi bolta tha ki tum nahi kar pao ge eska study bahut hard he tumse CA nahi hoga But me jab paras institute online class join kiya to mujhe motivate mila and paras institute ke Teachers ka Teaching karane ka trick really awesome he . Vivek sir hamesa koi bhi problem ko solve karte and student's ko deeply samjhate he , Surendra sir ka Account padhane ka style and example awesome he . Mujhe 11th se hi Account bahut interesting laga but aab se to or jayda lagne laga , Gourav sir ka law teaching or example with drawing karke samjhna its really awesome 😊
Ritu maam ki math ki tricks really good. mujhe to math hamesha boring 😊 lagta tha but Ritu maam ki math ki tricks mujhe interesting laga . And Test ka schedule, any Doubt ko batana it's really Good . Me jab se online class kar raha hu eske bich mujhe kuch problem ya jo ki me kuch class attend nahi kar paya but mujhe backup class bhi mila mujhe bahut help mila paras institute ke team se . Me bahut happy 😊 hu because paras institute me class le raha hu .

आज की शिक्षा पद्धति “यस बॉस” पर आधारित है और विद्यार्थी को किसी विचार को तर्क की कसौटी पर साबित करने से रोकती हैं वहीं अपने नाम के अनुरूप पारस इंस्टीट्यूट (जिसकी स्थापना 26 साल पहले हुई थी) ऐसे “पेशेवर विद्यार्थी” का निर्माण करता है जो अपने विवेक का इस्तेमाल करता है और किसी भी विचार को (चाहे पढ़ाई से सम्बन्धित हो या कोई अन्य) तर्क की कसौटी पर खरा उतरने के बाद ही स्वीकार करता है। यहाँ का विद्यार्थी अपने “सन्तुलित सफल जीवन” के निर्माण के लिए प्रतिबद्ध है। वह अपनी शिक्षा, स्वास्थ्य और सन्तुलित भोजन सभी के लिए जागरूक है। यहाँ तक कि वह अपनी सामाजिक जिम्मेदारियों को भी समझता है और विभिन्न सामाजिक मुद्दों पर भी विचार करता है। पारस इंस्टीट्यूट समय-समय पर ‘मेडिटेशन कैंप’ भी आयोजित करता है जिससे विद्यार्थी अनेक समस्याओं जैसे माइग्रेन, तनाव, नींद कम या ज्यादा आना, चिन्ता और गुर्रसे आदि से प्रभावित नहीं होता। पारस में विद्यार्थी के पूरे 24 घंटों को इस प्रकार बांटा जाता है कि वह पढ़ाई, मेडिटेशन, व्यायाम, मनोरंजन, परिवार व दोस्तों को प्राथमिकता दे पाता है। आज पारस इंस्टीट्यूट ऑफ कॉमर्स ने सी.ए. की कोचिंग में अच्छे परिणाम देकर अपना लोहा मनवाया है। पारस के विद्यार्थी सी.ए. बनकर भारत व अन्य देशों में अपनी श्रेष्ठता सिद्ध कर रहे हैं।

पारस अपने लक्ष्य ‘शिक्षा में क्रांति’ के लिए प्रतिबद्ध है।
